Ammembal Subba Rao Pai
Founder
(1852-1909)

A barrister by profession, a social reformer by passion and a great visionary, Ammembal Subba Rao Pai's dream was "Social Justice". Educating the people around him, he thought, was the best way forward to realise his dream; the motto being "Quality Education at Affordable cost". Inspired by his thoughts and dream, the Canara High School association kept this movement glowing and growing. Today it has 15 reputed institutions spreading knowledge in and around Mangaluru. One of them is the Canara Pre-University College.

Canara Pre-University College is proud to present "FOOT PRINTS", a cultural and literary fest for the students of 9th and 10th standard.

This is an ideal platform for the young enthusiastic participants from various institutions to exhibit their talents and interact with fellow participants. We pave the way where there is no path, for them, to tread and leave their footprints in the sands of time.
